AVA's Recommendation:

After reviewing available listings, there are currently no 70-meter (approximately 230 feet) crewed yachts available for charter in Croatia under \$300,000 for summer 2025. Most crewed yachts in Croatia, including luxury catamarans like the Sunreef 70 and N+1 Sunreef 70, are around 21 meters (70 feet) in length and are available well below your stated budget—typically ranging from €45,000 to €79,000 per week, depending on the season[1][2]. Larger motor yachts and superyachts (closer to your 70-meter request) are rare in the Croatian charter market and, when available, generally command weekly rates significantly above \$300,000. If you are open to vessels in the 20-22 meter (70-foot) range, the Sunreef 70 series offers some of the most luxurious and highly rated crewed options, with state-of-the-art amenities, water toys, and top-tier crew service, all available from major Croatian ports such as Split, Dubrovnik, and Hvar[1][2].
