AVA's Recommendation:

Based on your criteria for a 20-meter motor yacht with one cabin and a day head toilet within a €500,000 budget, I've searched our database but don't have exact matches in the current search results that meet all your specific requirements. The search results show several 20-meter yacht options, but they typically feature multiple cabins (for example, the Princess 20m has 3 cabins, and the Greek motor yacht Ananas has 4 cabins). Most 20-meter (65-98ft) luxury yachts offer more spacious accommodations than what you're specifically looking for. To better assist you with your day cruiser requirements and budget constraints, I would recommend consulting with a yacht broker who can provide more targeted options. They can help you find day cruisers that match your single cabin and day head toilet specifications while staying within your €500,000 budget.
